Voluntary Service Program
for Mitsubishi Electric Projector

Mitsubishi Electric Kang Yong Watana Co., Ltd. would like to thank you, our customers, for always trusting Mitsubishi Electric products. We are committed to delivering the highest satisfaction to our customers through our products and services.

The Mitsubishi Electric Projector was released into the Thai market in 2001. Since most of the projectors sold have now exceeded their warranty period, to ensure our customers of the quality of our products, in June 2014 onward, we would like to offer free service to check the projector and the installation area for certain models (as listed below) purchased in Thailand from 2001 to 2014.

Please make a reservation to have our experienced engineer or licensed workman to check the device and installation area, **free of charge.**

The models that qualify for this service are

HC3, HC900, HC100, HC5000, HC6800, HC7000, L01U, XL1XU, XL1U, SL1U, XL2U, SL2U, SL25U, XL25U, XL30U, XL8U, XL4U, SL4U, XL5U, SL4SU, XL6U, SL6U, XL9U, XL5950U, XL5900U, XL5980U, XD400U, XD450U, XD480U, EX100U, ES100U, EX10U, XD460U, XD490U, XD205U, SD205U, XD2000U, XD435U, XD470U, XL550U, XL650U, WL639U, XL1550U, XL2550U, WL2650U, HL2750U, MH2850U, FL7000U, WL6700U, XL6600U, XL6600LU, XL6500U, XL6500LU, XD3500U, XD3500U-G

You can check for your model on the label on the back, side, top or bottom cover of the projector.
